

ROPA DOG

Gel & Diabac capsules

RopaDog DiaBac is a natural complementary feed for dogs, based on oregano oil.

Use: give the capsule directly into the mouth or mix it with the feed.

Small > **tot 15 kg**

Medium > **15 - 30 kg**

Large > **30 kg of meer**

1 capsule per 24 hours.

RopaVet is a Dutch company that develops natural products for pets and hobby animals. Most pets experience diarrhoea at some point. Give your animal something extra alongside its regular feed to provide additional support.

RopaVet takes the best from nature and develops products with natural ingredients that have scientifically proven efficacy.

Many of our products contain oregano oil. This oregano oil is sourced from our own oregano fields in Lelystad.

Skin Care Ointment

RopaDog Skin Care Ointment is based on petroleum jelly and other natural ingredients. It is a product for use on the skin and has been specially developed for dogs.
